

Preferred Provider Directory

For our members and clients in Western North Carolina we are proud to introduce:

CRESCENT PREFERRED PROVIDER ORGANIZATION, INC.

Crescent is a provider-sponsored, not-for-profit and taxable Preferred Provider Organization made up of 1200 physicians and ancillary providers, plus sixteen hospitals. Crescent serves employers in a sixteen county region of Western North Carolina who offer self-funded health insurance plans to their employees/dependents.

Early in 2002 Primary PhysicianCare (Primary) and Crescent PPO entered into an agreement where Crescent messengered a fee schedule to its participating providers in WNC. Primary PhysicianCare has some direct contracts with physicians in WNC; Crescent, through messengering on behalf of Primary, is able to bring additional physicians, ancillary providers and the hospitals in WNC into a Crescent/Primary Physician Care directory.

In order to provide seamless, convenient information to employers and their employees who use Primary PhysicianCare as their Third Party Administrator, Crescent and Primary agreed to include all providers in one directory. As with any network, additional providers may come on board or withdraw from participating after a directory is printed. We encourage you to call Primary PhysicianCare should you have questions about participation.

You may also access directory information by going to the Crescent Web Site at www.crescentppo.com, (then enter your group number), or to the Primary PhysicianCare Web Site at www.primarypc.com. We will provide links between the two sites in order for you to access complete information.
